## Legend

st: stitch

sc: single crochet

sl: slip stitch

inc: increase st

dec: decrease st

blo: back loop stitch

flo: front loop stitch

## Tips

You can choose any kind of yarn you prefer, however it's better if you choose the same weight of yarn for all colors.

If the stitches stretch open too much and the fibrefill is visible, reduce the hook size.

If you cannot insert the hook into the previous stitches, crochet not tightly or increase the hook size.

Work in continuous spirals.
